P R E F A C E

Dear guest,

The welcoming subtropical indoor garden, Café Jakarta with surprising Dutch-Indonesian dishes, the phenomenal panorama from our trendy Malabar ... Or what about a relaxed wellness with pool, the 200 pleasant hotel rooms and the spectacular and sustainable character of our hotel? Hotel Jakarta Amsterdam has a lot to offer. That is why we are so very pleased with your interest in our hotel!

A business dinner in a Javanese atmosphere, say yes under Asian palms, a multi-day conference in our multifunctional meeting rooms, a family reunion or product presentation with breathtaking views... Whatever your wishes and whatever event you organize, at Hotel Jakarta Amsterdam we like to make your event an unforgettable experience.

This guide gives you a small impression of the unlimited possibilities and facilities in our hotel. But of course we would rather let you see and experience everything personally. We are happy to make a tailor-made proposal together with you.

Feel free to contact us for a visit and all of your questions and comments. We can be reached by telephone on +31 (0) 20- 2360000 or by e-mail on me.jakarta@hoteljakarta.nl.

We look forward to welcome your guest in our hotel.
See you soon!

Sampai jumpa,

Frank Tuhusula & team

GENERAL INFORMATION

HOTEL ROOMS AND SUITES

Hotel Jakarta Amsterdam by WestCord is a 4 star hotel with 200 rooms which are all non-smoking. The 200 hotel rooms are divided in 5 suites, 1 WOW-suite, 18 junior suites and 176 superior rooms. All the hotel rooms are equipped with a shower, separate toilet area, minibar, laptop safe, iron and iron board, and free Wi-Fi facilities.

176 superior rooms have a total surface of 27 sqm and a balcony of 3 sqm of which 94 rooms have a shower, 82 rooms have a shower and separate bath. The junior suites vary from 30 sqm -38 sqm. The suites are 41.8 sqm and have a phenomenal 180 degree view over the River IJ.

MULTI FUNCTIONAL ROOMS

Hotel Jakarta Amsterdam offers 245 sqm of meeting area and a variety of events. This space can be split up within three separate meeting rooms overlooking the subtropical indoor garden with natural light and on the other side a fantastic view towards the historical centre of Amsterdam and the River IJ.

Total surface:	245 m ²
Bandung:	105 m ²
Yogyakarta:	70 m ²
Surabaya:	70 m ²

FACILITIES

Café JKRT (Jakarta)

Café JKRT (Jakarta) is the living room of Amsterdam. In line with our vision 'Two Worlds Connected', we are serving very special dishes: in which for example Western dishes, combined with Eastern spices and tastes and also traditional Indonesian dishes and Western dishes. You will find them on our menu.

Our spacious terrace is located next to the water and will give you a wonderful view over the River IJ and the passing boats. During summer, you can watch the passing cruise ships and the sunset behind the city of Amsterdam.

SUB-TROPICAL COURTYARD

GENERAL INFORMATION

SKYBAR MALABAR

During and after the sunset, Malabar will be the place to be. You can drink a wonderful cocktail and taste our delicious and surprising Asian bites while you are watching the sunset. Enjoy the view over the River IJ while you see the cruise ships leaving, people swinging on the A'dam tower. The exclusive Sky bar is located on the top floor of Hotel Jakarta. On the mezzanine of Malabar is a DJ booth where our amazing DJ's will play lovely music.

Nice fact: Malabar is named after a two thousand meter high volcano on Java, south of the city Bandung.

WESTERS BAKERY

If there is not enough time for breakfast or like to have a nice sandwich for lunch? Hotel Jakarta will offer you a delicious bakery, the place to be when you would like to have fresh baked bread, pastries or a coffee to go. Westers bakery is located on the east side of the hotel, for guests accessible through the indoor garden and for local people accessible through a separate entrance located in the Tosaristraat at street level. It is not a coincidence that Hotel Jakarta has it's own bakery. The founder of WestCord Hotels was born in a real bakers family. Therefore, the bakery is an tribute to the original bakery called Westers bakery which is located on Vlieland since the fifties.

LOCATION AND ACCESSIBILITY

Hotel Jakarta Amsterdam is located on the tip of the Java Island Amsterdam, next to the River IJ with a spectacular view towards Central Station, Amsterdam North, the backside of "Pakhuis de Zwijger" and towards the Passenger Terminal Amsterdam. With bus number 43 in front of the door and tram number 26 within a walking distance of 3 minutes, you will have Central Station and the historical centre on a stone's throw.

The hotel is also easy and fast to reach from highway A10 - S114 and through the Piet Hein tunnel. Because of the renewed infrastructure behind Central Station, the hotel is easy to reach from the west side of the city as well.

WELLCOME WELLNESS - A HAVEN OF PEACE ON JAVA ISLAND

The WellCome Wellness is a haven of peace on Java Island, with direct views of the IJ from the pool, the treatment rooms and the gym. Not only hotel guests, but also visitors from outside are welcome. The entrance is at de Tosaristraat, next to Westers Bakery. Take a dip in the swimming pool, enjoy a massage or facial with Indonesian influences, or work out in the modern equipped gym.

PARKING POSSIBILITIES

The hotel has an indoor parking and a capacity of 86 parking spaces in total. The costs for parking will be €40 per night or €15 per day. In addition, the hotel offers 20 electric charging points for hotel guests. The hotel also offers a bike rental service for €17 per day to get in town during your stay in Amsterdam.

SUBTROPICAL
ATRIUM

SUSTAINABILITY

Hotel Jakarta Amsterdam is the greenest hotel in the Netherlands. From our energy-neutral design to our green courtyard garden and use of renewable energy sources, sustainability is at the heart of everything we do. We strive to keep our carbon footprint as small as possible while providing our guests with a unique, comfortable and conscious hotel experience.

ENERGY-NEUTRAL BUILDING

Our hotel is designed to be energy-neutral, with minimal CO₂ emissions and maximum energy efficiency.

BREEAM CERTIFICATION

We are proud of our BREEAM Excellent score, which means our building meets high sustainability standards.

GOLDEN GREEN KEY

We proudly wear the Golden Green Key, the highest certification for sustainable tourism, underlining our commitment to environmentally friendly practices.

SOLAR PANELS

We generate much of our own energy with solar panels.

The panels in the facade and on the roof of the atrium capture sunlight, which is converted into electricity and heats shower water.

RAINWATER COLLECTION

Collected rainwater is used to water our subtropical indoor garden.

SUSTAINABLE MATERIALS

Our building is built with eco-friendly materials such as bamboo and FSC-certified wood.

WASTE MANAGEMENT

We have extensive recycling programmes and initiatives to reduce waste.

ENERGY-EFFICIENT SYSTEMS

Advanced insulation, energy-efficient LED lighting and smart climate control minimise energy consumption.

ECO-FRIENDLY FACILITIES

We use eco-friendly bath products and linen for a greener overnight stay.

SUSTAINABILITY PARTNERSHIPS

We collaborate with local and international organisations to promote sustainability and green initiatives.

PREFABRICATED ROOMS

Our rooms are prefabricated produced off-site to minimise waste and impact on the environment - an example of innovative, sustainable construction techniques.

PRINTING

We print as little as possible. All our printing is done on 100% recycled paper.
